

HOW TO VIEW LIST OF APPROVED COLLECTION AGENTS

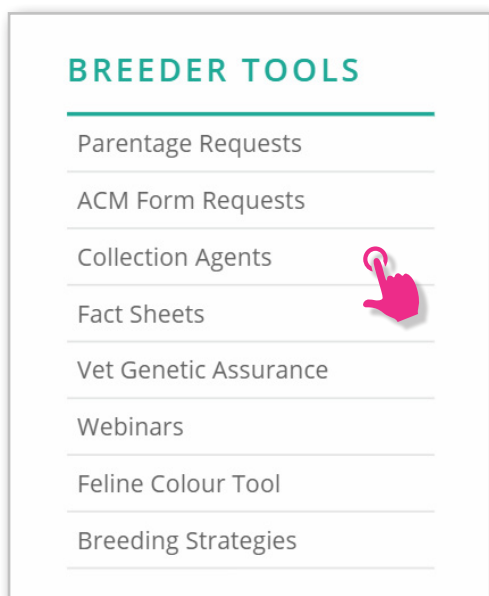

STEP 1 You must log into your account. Once logged in scroll down to **Breeder Tools**

The screenshot shows a user's account page. At the top right, there is a 'VIEW CART' button with '0' items. Below this, there are two buttons: 'ACTIVATE KIT/BARCODE' and 'ORDER TESTS'. A welcome message reads 'Welcome back John Smith' with the subtext 'Your Personalised Secure Account - Order Tests/View/Edit and Update your Animals Details'. There is a search bar with 'Filter View' and a 'RESET' button. To the right of the search bar are 'ADD NEW ANIMAL' and 'PLACE ORDER' buttons. A navigation bar shows '« 1 2 3 »'. Below this is a table of animals with columns for Barcode, Pet Name, Breed, Gender, Reg No., and Tests. The 'BREEDER TOOLS' menu on the left is highlighted with a red box.

	BARCODE	PET NAME	BREED	GENDER	REG NO.	TESTS

Collection Agents

Orivet **Accredited Collection Agents** are available to assist breeders who require independent collection of their samples to meet an Approved Collection - *Independent Collection* and *Positive ID*. Our Accredited Collection Agents are approved on an annual basis and fully trained in Orivet's processes and procedures for genetic testing. All are happy to assist and offer advice on what type of testing may suit your breed. **Please Note:** All Collection Agents assist on a voluntary basis and try to make time to accommodate all requests.

Collection Agents please click [here](#) to download a Collection Agent Poster which you can print off and display at shows.
