

# Parentage Request Submission Form

OWNER'S NAME											EMAIL										
MEMBERSHIP NUMBER (MEMBER BODY)																					

**PLEASE NOTE:** This Parentage Request Form is for use for those who have limited computer access. The details on this form must be accurate as they will be used by Orivet to run parentage requests. Alternatively, you can log into your account and use the "Parentage Request" tab to request your parentage online. Completed parentage reports will be emailed to your account and any compulsory member body DNA Programmes once DNA Profiles have been completed.
